

HEY DUGGEE

The Get Well Soon Badge

1 Oh dear, is your teddy bear feeling poorly?

2 Wrap up your bear in a blanket to keep them warm and cosy.

3 Wipe your bear's nose and check its temperature.

4 Give your teddy bear a hug. A hug makes everything better!

5 Now make a nice Get Well Soon card for your teddy bear.

Can you cut these decorations out and stick them in your card?
