

Gran Gran's Moon Diary Plan!

What you'll need

Warm coat

Colouring pencils

Binoculars or
Telescope, if you
have one

Calendar

Excitement

1

Get your colouring pencils, calendar and other equipment ready.

2

Wrap up and go outside or head to a window to see if you can spot the moon.

3

When you spot the moon, celebrate with a little dance!

4

Get out your calendar and on today's date draw the shape of the moon.

5

Draw the shape of the moon everyday on the calendar and track its shape as it changes.

6

Enjoy plotting the different phases of the moon and see if you can spot the new full moon!
