## What you'll need:

Lolly sticks

Lolly moulds

Blender

Fruit of choice

Fruit juice of choice

**1**

Ask your grown-up to help cut up your fruit of choice.

**2**

Ask grown-up to put chopped fruit into blender and add fruit juice of choice.

**3**

Blend the fruit and juice together until smooth.

**4**

Pour liquid from the blender into the lolly moulds and add the lolly sticks.

**5**

Leave over night in the freezer until the liquid is frozen.

**6**

Take the ice lollies out of the moulds and enjoy!
