

Andy's Prehistoric Adventure

Andy's Gizmo Make

You will need

Black marker pen
Black Sock
Blue paint
Sponge
Cardboard tube
Sticky tape
Scissors (for grown-up use only)

1

Cut the cardboard tube in half (must be done by a grown-up).

Remember to ask a grown-up for help

2

Cut the sock into a glove, by making a small hole for the thumb and one big hole for the fingers (must be done by a grown-up).

3

Fold the cardboard tube into a box shape and paint the tube blue and leave to dry.

4

Draw a gizmo screen with the black marker pen.

5

Stick tape underneath cardboard tube.

6

Stick the cardboard tube to the sock and your gizmo is ready!
