Glue
String
Colouring pens,
pencils or paint

Remember to ask
a grown-up for help

1

Print out the Justin's House bunting templates below and get some scissors, glue and string ready.

2

Ask an adult to help you cut out the bunting templates.

3

Fold each bunting template along the dotted line to make a triangle.

4

Put the string within the fold of the triangle, then glue the sides so that they stick together.
