

Let's Play **Fold and draw**

You will need

Printouts (below)
Pens or pencils

**Remember to ask
a grown-up for help**

1

Start off by drawing in the top box. You can give Sid or Rebecca a hat or whatever you would like.

3

The next person draws a body in the second box. Give Sid or Rebecca arms and a body and remember to draw slightly over the dotted line so that the next person knows where to start drawing the legs.

5

Finally, unfold the paper again and see what your silly outfit looks like!

2

When you are finished, fold along the dotted line so that the top box is folded behind. Pass it on to the next person - they won't be able to see what you have drawn.

4

When the body is finished, fold the box back along the dotted line and pass to the next person to draw the legs and feet.
