Box Dinosaur

You will need

A small box
Paint and a brush
Card
Scissors (grown-up use only)
Glue
Stickers
Marker pen

Remember to ask a grown-up for help

1

Fold a big piece of card in half and draw a wing shape, starting from the folded edge.

3

Fold another piece of card in half and draw a triangle on the fold for a head and a small rectangle for the neck. Then carefully cut them out and unfold them.

2

Next, draw a triangle then carefully cut all the shapes out. Unfold them to make the dinosaur's wings and feet.

4

Paint the box and leave it to dry.

5

Glue the box to the wings. Stick the feet to the bottom of the box, the neck to the top of the box and glue the head onto the neck.

6

Finally, add stickers for the eyes, nostrils and spots on the dinosaur's body and wings.
