Birthday Card
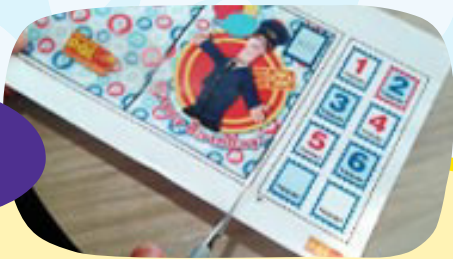

1 Print out your birthday card and envelope and with a grown-ups help carefully cut them out using your scissors.

2 Fold the card in half using the black line that runs through the middle of it as a marker.

3 Fold in the sides of the envelope.

4 Fold up the bottom of the envelope.

5

Carefully glue the overlap of the envelope to the sides, sticking them together.

6

Cut out one of the badges and stick in the space on the top right hand corner on the front of your card.

7

Write a birthday message inside your card and place it in the envelope that you've made. Give it to your friend!
