1

Cut out a long strip of paper or card. Remember scissors are sharp, ask a grown-up to help.

2

Paint a pattern on the paper. Justin painted spots but you can be as creative as you want.

3

Dab the glue stick on the paper wherever you want the glitter to be.

4

Sprinkle the glitter onto the glue then shake off the extra glitter.

5

Make the paper into a hat shape and stick it together with tape.
