

Presenters Tortilla Pizza

You will need

oil
tortilla
tomato puree
sweetcorn
red pepper
mozzarella cheese

Remember to ask
a grown-up for help

1

Ask a grown-up to pre-heat an oven to 220°C fan / gas mark 8.

2

Grease a baking tray with oil and put your tortilla on the tray.

3

Drizzle some more oil over the tortilla and then squeeze tomato puree on top. Then smooth it out with a spoon.

4

Add your toppings, we've used sweetcorn, red pepper and some mozzarella cheese.

5

Ask a grown-up to put the tortilla pizza in the oven for 4-6 minutes or until the cheese has all melted.
